

Elementary, Middle and High School ESL teachers required!

Teach in a New Brunswick Off-shore School in Various Locations Throughout China

Start Date: August 2018

TEACH IN CHINA WITH ATLANTIC EDUCATION INTERNATIONAL

Atlantic Education International (AEI) can offer you an enriching professional and cultural experience teaching in China. Since 1997, more than 500 educators have been hired through partnership agreements between AEI, the New Brunswick Department of Education and Early Childhood Development and our international partners.

If you are looking for an adventure, please complete our online application form at:
www.aei-inc.ca/jobs-listing

Benefits of teaching at an AEI affiliated school

- Competitive salary
- Chinese taxes paid for by the employer
- Designated accommodations
- Airfare to and from China is provided
- Contribution to medical insurance
- Assistance through work visa process
- 2 year contract
- Paid vacation days
- Enhanced opportunity to travel

Teacher Support

Summer Institute - In July there will be a two day workshop located in Fredericton, New Brunswick. Detailed information will be provided to make your transition to China as smooth as possible. If you are unable to join us in person, there is the opportunity to connect via technology.

Work Environment - AEI has hired over 500 teachers for our partners in China. You will have the opportunity to work with Canadians and other western teachers who have decided to make a career from teaching internationally.

Professional development - Sessions provided by qualified educators several times a year.
