

Students at The Columbus School are ethical, global citizens who are agents of positive change.

## Our students are

Critically conscious citizens with a sense of responsibility towards global sustainability.

Enterprising and empowered, able to thrive with a sense of purpose in an ever-changing world.

High performance learners with the capacity to succeed in the pathway of their choice.

## At The Columbus School

**CONNECT** people and ideas.

**CREATE** pathways and opportunities for all learners to grow.

**INSPIRE** and are inspired by a sense of engagement and purpose.
